HELP US SUPPORT OUR EDUCATIONAL PROGRAMS  
TO ENHANCE THE ARTISTIC FUTURE OF NEWPORT

Dear Newport Art Museum Supporter,

Founded in 1913, the School of the Art Association of Newport has from its beginning demonstrated a dedicated commitment to arts education. An essential component of the Newport Art Museum campus is the Minnie and Jimmy Coleman Center for Creative Studies, located in the Gilbert S. Kahn building.

This dynamic center offers a wide array of classes and workshops for all ages, from summer camps for children to adult courses in a range of mediums. With a focus on process-based learning, campers gain confidence, experiment boldly with materials, and discover connections between their own creations and the art around them through docent-led tours. Our summer camps are thoughtfully designed to spark curiosity and artistic growth, inspired by exhibitions and the Museum's rich permanent collection. Guided by experienced teaching artists, each camp offers a welcoming, imaginative space where creativity meets exploration.

Grounded in Newport and focused on the future, the *Helena Sturtevant Education Society* fund will provide the necessary support and resources to allow art to be accessible to all, creating the opportunity for year round and summer scholarships for both adults and children.

**Your support as a Helena Sturtevant Education Society Sponsor will make it possible for the Museum to:**

- Make arts enrichment accessible to children- through summer camp scholarships, teaching artists, docent led tours, art exhibitions.
- Make year round arts enrichment accessible to seniors
- Provide essential equipment and supplies at the Museum School
- Fund community arts exhibitions for seniors and students
